To allow another adult to view your MyChart, please review this important information **before** submitting the proxy sign-up form:

1. You must be at least 18 years of age to request that another adult be allowed to view your account (this is called **proxy access**).

2. Your proxy will view your MyChart through his/her own MyChart account. If your proxy does not currently have a MyChart account, and is a UR patient (i.e., he/she sees doctors affiliated with Strong, Highland or UR), then he/she must first **establish a MyChart account before we can fulfill your proxy request.**

3. Your proxy can sign up for MyChart in the following ways:
   - Phone or visit his/her UR doctor’s office to sign up at an upcoming appointment.
   - Submit a request for a MyChart account by visiting [mychart.urmc.rochester.edu](http://mychart.urmc.rochester.edu), and click on “**Request Access for Myself and Others.**”
   - Contact our MyChart Customer Service Center 8 a.m. to 5 p.m. weekdays: 585-275-URMC (8762), 1-888-661-6162, [CallCenter@urmc.rochester.edu](mailto:CallCenter@urmc.rochester.edu).

If your proxy is **NOT** a UR patient, then we will establish a MyChart account for him/her.

*Thank you for your understanding and cooperation in this matter.*
